

A One-Month Reading Guide for *Embrace Grace*

Simply read the pages noted for each day. With 28 days in all, this guide will work for any month of the year. The first few words...and the last few words of each daily reading are shown below.

Perhaps take time to meditate on each statement, each verse, each comment. Underline the words that speak to you. Make notes in the margins. Pray as you read. Listen. And respond to the questions at the end of each chapter before you turn the page, standing on this truth:
