Bring This Story Home

1. Though most of us would find it difficult to mirror Anna's 24/7 devotion, which aspect of her worship challenges you to go deeper? Could you serve in some new way at your church? add more prayer time to your calendar? explore the spiritual discipline of fasting?

In what ways might God be asking you to dwell more closely with him in 2021?

2. Elizabeth, Mary, and Anna were ordinary women blessed by God because of his goodness and used by God to accomplish extraordinary things. Think of some women you know well. Which one of them is most like...

Elizabeth? _____

Mary? _____

Anna? _____

This holy season how could you reach out to the women you've listed here and assure them they've served as role models to you?

3. Finally, take a moment to consider how you've connected with our Women of Christmas:

"I am most like _____ because _____."

"I learned the most from _____ because _____."

"I'd love to be more like _____ because _____."

**This year and always, may your holidays
be filled with the Light of the Christ Child!**
